

NRL4 Backhoe Loader Tires

The Duratech NRL4 is specifically designed for backhoe loaders and compact loaders, and is engineered to deliver great traction, improved durability and excellent self-cleaning properties.

Parts Details Of NRL4 Backhoe Loader Tires

The classical directional tread pattern and open-shoulder groove design

- The classical directional tread pattern and open-shoulder groove design offer improved traction and self-cleaning on the pavement, soft soil, and dirt, as well as in mud.

Increase its resistance to impact

- The massive lugs are reinforced by a centerline tread rubber belt and a robust casing is designed to increase its resistance to impact.

Endure wear and cut

- Exclusive compounds are used to endure wear and cut, which substantially increases the longevity.

Specifications of NRL4 Backhoe Loader Tires

Size	Ply Rating	TRA Code	Rim	Dimension		Load Capacity		Inflation Pressure		Tread Depth-mm	Type
				Section width-mm	Overall diameter-mm	10km/h	50km/h	10km/h	50km/h
